

Committed to delivering Services under a single  
Umbrella for Any Office/Property

*Hello Facility and Real Estate Heads!*

*With the summers setting in, and in some parts of the country  
already set in, the noises in our facilities will once again come alive.  
You may hear complaints such as*

*AC not working! Get this rectified ASAP....*

*It's suffocating in here! Is AC not Working???*

*It's too cold near my seat. Please fix it...*

*Why is it so hot near my seat? Please rectify this ASAP....*

*Why are the electricity bills so high?*

*We, Competent Support Advisors (CSA), are here to help you. We  
are just a phone call away, and you can entrust all your HVAC-  
related issues to us. As industry professionals, we have been doing  
HVAC Management meticulously for quite a long time.*

*Though we are a fresh face in the service provisioning market, but  
an old wine of the industry and have bloomed from within the  
industry that you can trust, we understand the gaps between the  
problem and its solution. You can trust CSA to take care of  
everything with no noise.*
