

Committed to delivering Services under a single  
Umbrella for Any Office/Property

Dear Real Estate and Facility Heads,

Greetings from Competent Support Advisors (CSA)!

We are back once again to urge you for your immediate action since the summer season has already set in before it is too late and a favorable environment is created for Pests --Mosquitoes, Flies, Cockroaches, Rodents (Rats), and other vulnerable insects, which shall pose a significant risk to the hygiene and health safety of your valuable employees if not addressed now and will lead to serious dissatisfaction among them.

CSA is here to help, and we are just a phone call away. You can trust us with all your pest-related issues. As industry professionals, we have been providing meticulous Pest Control Management Services in the industry for a long time.

Having worked with the Globally reputed Organization of FM Industry we are trusted professionals. We understand the gaps between the problem and its solution, and you can rely on CSA to take care of everything with no hassle.

You can confidently delegate us with the Annual Maintenance Contracts (AMCs) for your Pest Control Services. We assure you of our best services at the most optimal cost.

Thank you for your attention, and we look forward to serving you soon.

Note: We also provide services for Termite Management AMC, Snake Control, Fogging, Bed Bugs, etc.

Best regards,

**Competent Support Advisors (CSA)**
